# About the Y's Coastal Carolina Run Series

The Coastal Carolina Run Series consists of 10 events throughout Coastal Carolina.

Distances range from 1 mile to 10k with the terrain varying from the beaches at Fort Fisher, the hills of downtown Wilmington and the Commons loop in Jacksonville. The scoring system is designed to give motivation to all participants; therefore, participation is valued as well as speed and placement.

All twelve events will be scored and added up. By running in more events, a runner will add points and has a chance to move up in final placement, even though a runner may not place in each individual race. If a participant runs more events they may out score a faster runner who has not participated in as many events.

## CASH PRIZES!

Cash prizes to the top male & female overall winners:  
1st place - \$250 / 2nd place - \$150 / 3rd place - \$100

Cool prizes for top age group finishers as well! (1st - 3rd / male & female age divisions)

## RULES

In order to qualify, you must participate in three or more of the twelve races that are included in the series. You are automatically entered into the series after your third race. Must register under same name throughout entire series i.e. change of last name or nick-names.

All individuals will compete throughout the series based on the age group of their first registered race of the series. For example: Sue Neil is 24 at the start of the 2013 racing series but turns 25 on November 1, 2014. After November 1, Sue will compete in individual races in the correct age category, the 25-29 age group for the rest of the series, but will be awarded placement in the 20-24 age group division for the 2014 series.
