Serving Students in Grades K-12  
YMCA of Southeastern North Carolina

# BACK TO SCHOOL AT THE Y!

Thank you for choosing the Y! We are looking forward to the school year ahead at the YMCA of Southeastern North Carolina, and we are excited about the opportunity to be a part of you and your child's lives this school year. It is our aim to run high quality programs that are not only safe, but also provide opportunities for children and teens to have fun, be active, enhance education, explore new interests, and build relationships.

For our returning families, welcome back! Thank you for continuing to choose the Y to serve you and your family. To our new families, we welcome you to what we hope will be the first of many years together. As you navigate the waters of YMCA programs, please feel free to ask questions; we will do our best to provide assistance as soon as possible. Relationships are at the core of the Y, and we strive to strengthen relationships between children, parents, and our staff in everything we do.

In this guide, you will see that we are incorporating Afterschool Clubs for the 2025-26 school year and that we are serving more schools than ever before! If your child attends a school that is not listed, please let us know and we see if there is still a way to serve your family this school year. Please take time to browse this guide, check out our offerings, and visit our [website](#) to find out more. The majority of your questions will be found in this guide or in our [parent handbook](#). We encourage you to register early since our programming will fill to capacity. We are very excited to see you this school year and hope you are ready to experience the best school year yet!

## REGISTRATION

Registration is now open! Afterschool programming can and will fill up, and we recommend you sign up as soon as possible! There is a one-time \$35 registration fee which is due when you register. For all of our Afterschool programs, registration and weekly fees are due the Wednesday before the week your child attends; this allows us to ensure proper staffing, supplies, snacks, and an age-appropriate schedule for those in attendance. You can choose to register online at [www.ymcasenc.org](http://www.ymcasenc.org) (preferred) or you may choose to register in person at our Nir Family YMCA at 2710 Market Street, Wilmington, NC 28403 or in person at our Midtown YMCA at 709 George Anderson Drive, Wilmington, NC 28412 or in person at the Sampson County YMCA at 417 E. Johnson St, Clinton, NC 28328.

## FUN FOR EVERYONE

At the Y, we think fun, new friends, positive role models and great times should be available to every child. That's why we provide scholarships to families who need help making Back to School Programming a reality.

If your family needs a little help to make Back to School programming happen, [scholarship forms are available online by clicking here.](#)

Funds are made possible because of the generous donations made through our [YMCA Youth Services Annual Giving Campaign](#). You can help provide Back to School programming for families by visiting our website and making a tax-deductible online gift or by submitting a donation to our Membership Desk at the Nir Family YMCA or Midtown YMCA.

## YOU'RE IN GOOD HANDS

Staff, as role models, are selected for sound judgment, maturity, experience, enthusiasm, and creativity. All staff are interviewed and go through a complete background check prior to being hired. Training occurs before the school year and throughout the program to ensure attention to detail. All staff are certified in CPR & First Aid.

Our programs focus on encouraging character growth through care, honesty, respect, responsibility, and faith. You can be sure that our Y staff is committed to developing these traits through our Back to School program activities, and that all activity areas are well supervised.

Our average Elementary Afterschool staff to student ratio is 1:12 and 1:15 for our Middle School Afterschool program. By selecting our Back to School programming, you are investing in a safe, fun, educational, and memorable experience for your child.

## DAILY LOGISTICS

Our Elementary Afterschool Program and Middle School Afterschool Program operates every day that your child's school is in session. At the end of the school day, depending on the school, students either remain at their school for Afterschool under the care of Y staff or a Y bus transports them to their appropriate Afterschool location.

The programs operate from the end of the school day until 6:00 P.M. All students must be picked up by 6:00 P.M. by their guardian(s) or any additional person listed on their pick-up form. Students who are picked up late will be charged \$1 for every minute that they are late.

Child care for teacher workdays, holidays, intercession, and camps will be held at the Hampstead United Methodist Church, Midtown YMCA, Nir Family YMCA, and Sampson County YMCA. Students may be dropped off from 7am to 9am and picked up from 4pm to 6pm. Teacher workdays, holidays, intercession, and camps are an additional cost to the program. Please be sure to pack a swim suit, towel, and lunch on each of these days; an email will go out to all registered parents before the week begins outlining the field trips and all other pertinent details for these days.

# YMCA ELEMENTARY AFTERSCHOOL PROGRAM

## Serving students in grades K-5

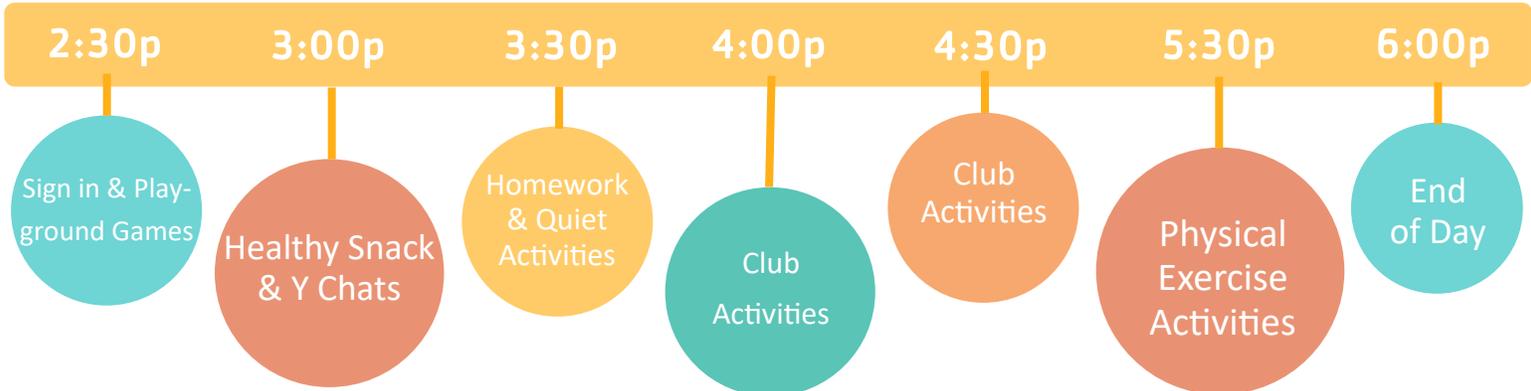

The Y Afterschool Program offers a safe, engaging environment where children can grow socially, physically, and academically. With a focus on health, character development, and well-being, our program provides activities like sports, swimming (at Nir Family YMCA), outdoor play, STEM projects, and more. Children receive a healthy snack, at least 30 minutes of structured homework help, and 30 minutes of physical activity daily. The program follows Healthy Eating and Physical Activity (HEPA) standards to promote a balanced lifestyle.

Rooted in the Y's core values of caring, honesty, respect, responsibility, and faith, the program encourages self-expression and exploration. Starting in the 2025-2026 school year, we will also offer site-based afterschool clubs to further support children's interests. Afterschool care is available every school day from dismissal until 6:00 pm, with transportation to designated Y locations when needed.

# TEACHER WORKDAY, HOLIDAYS, & INTERCESSION

When school is out, the Y is in! During Intercession breaks, Christmas break, Spring break, Teacher Workdays, and Holidays, children have the opportunity to come to the Y for a full day of activities where children will learn new sports and games, create arts and crafts, develop good sportsmanship, be a part of a team, build new friendships, swim, learn to be healthy, and much more! YMCA locations and dates are determined by the school calendar and schools we serve. Please be extra cognizant as you sign up for these days and make note of which location you are registering your child to attend.

During each full week, we will take at least two field trips that will engage the mind and body and give students the opportunity to explore their local community and engage in activities outside of the Y such as Camp Kirkwood, Aquarium at Fort Fisher, Flip N Fly, and more. Single teacher workdays and holidays will mainly be held at First Baptist Church of Leland, Hampstead United Methodist Church, Midtown YMCA, Nir Family YMCA, Ogden YMCA Activity Center, and the Sampson County YMCA, but may include a trip to the local park. Your child will be active, have fun, and will want to keep coming back day after day.

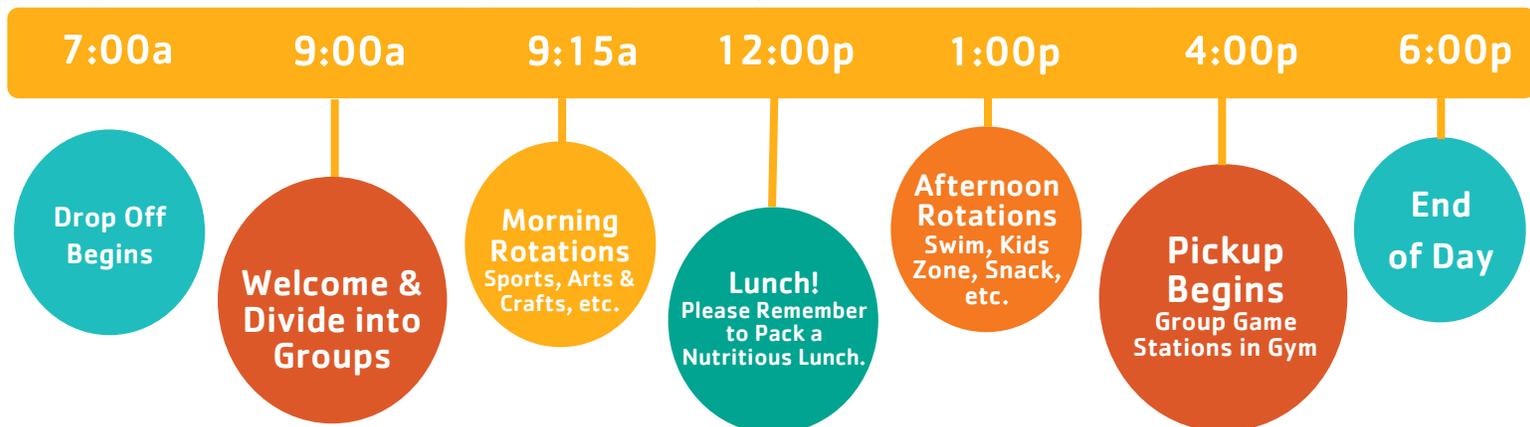

Registration is separate from Afterschool, locations can fill to capacity, and we encourage you to register today for all dates you need; please register no later than five business days in advance so that we can ensure proper staffing, supplies, food, and a fun-filled schedule.
